

Self Supported Degree Programs

(Categories: Bachelor's degree: 4-6 years Master's degree: 2-3 years Doctoral degree: 3 years)

I. Criteria and Eligibility

1. Applicant must be a non-Chinese citizen.
 - ◆ Bachelor's degree applicants must have a high school diploma.
 - ◆ Master's degree applicants must have a bachelor's degree.
 - ◆ Doctoral degree applicants must have a master's degree.

II. Application Procedures

1. Submit application materials to the International Student Office prior to June 15th.
2. Interview (Informed by email)
3. Upon completing the application process and being formally accepted into Nankai University's programs, the applicant's information will then be submitted to the foreign students' admission committee for review. Only after being accepted to Nankai University can a student qualify for a scholarship.
4. The International Student Section will announce the results by the end of June.
5. Upon announcement, Nankai University International Student Office will mail applicants an Acceptance Letter as well as Form JW202 - *Visa Application for Study in China* and any other relevant documents.

III. Application Materials (2 copies of each required)

- 1 **<Nankai University Application Form>** Please register in <http://nankai.17gz.org/member/login.do> and finish the online application, submit and print it out.
2. Highest diploma. If applicants are university students or are already employed, they should also provide documents of being university students or on-post employees. Documents in languages other than Chinese or English must be attached with translations in Chinese or English.
3. Official transcripts. Transcripts in languages other than Chinese or English must be attached with translations in Chinese or English.

4. Personal Statement, including study or research plan, personal background, financial situation, personal strengths etc., written in Chinese or English (no less than 800 words for Master and Doctor Degree, no less than 300 words for Bachelor' degree application).
5. Two letters of recommendation in Chinese or English written by professors or associate professors. (Bachelor's degree application should submit one recommendation letter.)
6. Applicants applying for the Chinese-teaching discipline are required to have HSK level 4 or above. Those who have not reached the required HSK 4 level or have no knowledge of Chinese can apply for two months or one year of scholarship-covered remedial Chinese language studies before entering their major studies. Applicants whose native language is not English applying for the English-teaching discipline should provide TOEFL (above 87) or IELTS (above 6.0) scores.
7. Photocopy of **Foreigner Physical Examination Form** (printed by Chinese Quarantine Authority - only required for those whose period of studies in China lasts more than six months) filled out in English. The medical examinations must cover all of the items listed in the ***Foreigner Physical Examination Form***. Incomplete records or those without the signature of the attending physician, official stamp of the hospital, or a sealed (stamped) photograph of the applicants are invalid. The medical examination results will be valid for six months. All applicants are kindly requested to take this factor into consideration while determining when to take the medical examination. Download at: <http://study.nankai.edu.cn/cn/download?cid=118&pid=99>.
