## 交大简介

重庆交通大学是一所交通特色鲜明,以工为主,多学科协调发展的教学研究型大学。学校创办于1951年,现拥有15个博士点、65个硕士点、58个本科招生专业,涵盖工学、理学、管理学、经济学、文学、艺术学等学科门类,是重庆市最早开展对外汉语教学的高校之一。现有教职工2000余人,其中专任教师1500余人,高级职称700余人。现有全日制在校生3万余名,其中在校博硕士研究生8200余名,普通本科生2.3万余名;累计培养各类各层次人才15万余名。

学校于2004年开始招收外国留学生。截止今年,学校已培养来自五大洲47个国家3000余名留学生,他们在交通与建筑工程等中资机构、中外商贸企业、孔子学院(课堂)及文化教育中心等,从事基础设施建设、中外语言翻译、行政管理、汉语教育等工作,深受用人单位欢迎和社会肯定。2007年,经重庆市教委批准,学校成为重庆市市长奖学金项目院校,2009年与贝宁阿波美卡拉维大学共建孔子学院,2010年成立汉语文化培训中心,2012年获批重庆市首个HSK网考考点,2013年获批成为中国政府奖学金项目院校,2014年开设汉语国际教育本科专业,随后相继开设国际经济与贸易、机械工程、土木工程、旅游管理等5个全英文授课本科专业和企业管理(MBM)、水利工程、风景园林等6个全英文授课硕士专业,2018年获批汉语国际教育硕士授权单位,2021年学校参与美国华盛顿州孔子学院建设。学校在南岸校区及科学城校区均有独立的留学生公寓,在校留学生规模500余人,经过二十余年的深耕,我校来华留学工作已成为学校教育对外开放工作的亮点。

Chongqing Jiaotong University is a teaching and research-oriented university with distinctive transportation characteristics, engineering-oriented focus, and coordinated development of multiple disciplines. Founded in 1951, the university now boasts 15 doctoral programs, 65 master's programs, and 58 undergraduate enrollment majors, covering disciplines such as engineering, science, management, economics, literature, and art. It is one of the earliest universities in Chongqing to carry out Teaching Chinese as a Foreign Language (TCFL). The university has a faculty and staff of over 2,000, including more than 1,500 full-time teachers and over 700 with senior professional titles. Currently, there are more than 30,000 full-time students, among whom over 8,200 are doctoral and master's students, and more than 23,000 are general undergraduate students. It has cumulatively cultivated over 150,000 talents of various types and levels. The university began enrolling international students in 2004. As of this year, it has educated more than 3,000 international students from 47 countries across five continents. They are engaged in infrastructure construction, Chinese-foreign language translation, administrative management, Chinese language education, and other work in Chinese-funded institutions (such as those in transportation and architectural engineering), Sino-foreign commercial and trade enterprises, Confucius Institutes (Classrooms), and cultural and educational centers, earning high recognition from employers and society. In 2007, approved by the Chongqing Municipal Education Commission, the university became a recipient institution of the Chongqing Municipal Government Mayor's Scholarship. In 2009, it co-founded a Confucius Institute with the University of Abomey-Calavi in Benin. In 2010, it established the Chinese Language and Culture Training Center. In 2012, it was approved as Chongqing's first online HSK test center. In 2013, it was accredited as a recipient institution of the Chinese Government Scholarship. In 2014, it launched the undergraduate program in Teaching Chinese to Speakers of Other Languages (TCSOL), followed by 5 English-taught undergraduate programs including International Economy and Trade, Mechanical Engineering, Civil Engineering, and Tourism Management, as well as 6 English-taught master's programs such as Business Management (MBM), Hydraulic Engineering, and Landscape Architecture. In 2018, it was authorized to offer a master's program in International Chinese Language Education. In 2021, the university participated in the establishment of the Confucius Institute in Washington State, USA. The university has independent international student apartments on both the Nan'an Campus and the Science City Campus, with a current international student population of over 500. After more than 20 years of intensive development, the international student education at our university has become a highlight of the university's opening-up in education.

## 校区介绍

### 重庆交通大学科学城校区

重庆交通大学双福校区,2021年更名为科学城校区,位于重庆市江津双福新区福星大道1号,地处重庆市二环以内。重庆交通大学科学城校区占地2400亩,批准建筑总面积85万平方米,目前科学城校区已完成一、二期建设,建成了包括公共教学楼、南区学生宿舍和食堂、学生活动中心、土建工程教学实验基地、风雨操场等共约44万m<sup>2</sup>。是重庆交通大学的行政中心,理工学科专业和基础学科专业为主的教学科研园区,集本科生与研究生教育、科学研究和行政管理等为一体的多功能综合性校区。

该校区于2011年9月正式开园投入使用,已有山区桥梁与隧道国家重点实验室、国家内河航道整治工程技术研究中心等科研机构 and 15个学院1.5万余名师生入驻,主要承担本科一、二年级的教育教学任务。

Chongqing Jiaotong University Science City Campus  
Chongqing Jiaotong University Science City Campus (formerly Shuangfu Campus) was renamed in 2021. It is located at No. 1, Fuxing Avenue, Shuangfu New District, Jiangjin District, Chongqing, within the second ring road of Chongqing Municipality. The campus covers an area of 2,400 mu (approximately 160 hectares) with an approved total building area of 850,000 square meters. At present, the campus has completed its first and second phases of construction, with 310,200 square meters of buildings, including public teaching buildings, student dormitories and canteens in the south area, student activity centers, civil engineering teaching and experimental bases, and covered sports grounds. As the administrative center of Chongqing Jiaotong University, the Science City Campus is a teaching and research park focusing on engineering, science and basic disciplines. It integrates undergraduate and graduate education, scientific research and administrative management, making it a comprehensive multi-functional campus. Officially opened in September 2011, the campus is now home to the State Key Laboratory of Bridge and Tunnel Engineering in Mountainous Areas, the National Research Center of Inland Waterway Regulation Engineering and Technology, and other research institutions, as well as 15 colleges with over 15,000 teachers and students. It primarily undertakes the education and teaching tasks for the first and second-year undergraduate students.

### 重庆交通大学南岸校区

重庆交通大学南岸校区位于重庆市南岸区学府大道66号。校区占地面积约500亩。校区内设有土木工程学院、河海学院、交通运输学院、外国语学院、旅游与传媒学院等17个教学机构,建有明德楼、基础实验楼、第一教学楼、第二教学楼、第三教学楼、学术交流中心、交大文创生活馆、体育场等办学生活设施。

### 夏/冬令营 Summer/Winter Camps

学校每年根据海外友好学校的访学需求，定制夏/冬令营。由双方协商确定时间、日程和预算。

The school customises the summer/winter camps each year to meet the needs of overseas friendly schools for visits. The time, schedule and budget are determined by mutual agreement.

## 预科项目

### Foundation Program

预科项目旨在帮助海外高中毕业生通过中国语言、文化、数理化基础课程等各方面的学习,为进入中国高校进行学历学习做好准备,培养学生汉语语言应用能力、学术基本功、职业竞争力、文化适应力。

国际教育学院面向高中及同等学历毕业生提供11/18/36周的国际预科项目,帮助其经过预科的学习获得申请高水平大学的机会。

面向优秀高中毕业生提供11/18/36周的“1+4”预本科直升项目,旨在帮助申请者提供进一步优化知识结构、获得冲击更优奖学金的实力。申请者在预科学习开始前即可通过综合评审获悉本科升学资格及本科期间奖学金等级,预科学习结束后,汉语水平达到《国际汉语能力标准》四级水平者可直接升入本科学习,无需再次参加审核及面试。汉语水平不达标者,不可进入专业学习,取消学习资格。

同时,国际预科中心与海外主要生源国政府部门合作,定制预科与学位人才培养。

The matriculation programme aims to help overseas high school graduates to prepare for academic study in Chinese universities through the study of Chinese language, culture, mathematics, science and chemistry basic courses in various aspects, and to cultivate the students' Chinese language application skills, academic fundamentals, career competitiveness, and cultural adaptability.

The School of International Education offers an 11/18/36-week International Foundation Programme for high school and equivalent graduates to help them gain access to high-level universities after matriculation.

We offer 11/18/36 weeks "1+4" undergraduate pathway program for outstanding high school graduates, aiming at helping applicants to further optimise their knowledge structure and obtain better scholarships. Applicants will be informed of their eligibility for undergraduate study and the level of scholarship during undergraduate study through a comprehensive assessment before the commencement of the preparatory course, and those whose Chinese language proficiency reaches Level 4 of the International Standard of Chinese Proficiency (ISCP) at the end of the preparatory course will be admitted to the undergraduate course directly without the need to attend a further assessment and interview. Those whose Chinese proficiency is not up to the standard will not be allowed to enter the major and will be disqualified from the study.

At the same time, the International Preparatory Centre works with government departments in major overseas source countries to customise preparatory and degree talent development.

### 预科课程 / Preparatory Course

基础汉语、专业汉语、文化与学习技能、数学、经济与商业、物理等。

Basic Chinese, Specialised Chinese, Culture and Study Skills, Mathematics, Economics and Business, Physics, etc.

### 预科学制 / Matriculation

根据学生汉语及基础课程水平,可选择11周、18周和36周预科。11周课程于5月入学、18周课程于4月入学、36周课程于9月入学。

Depending on the level of the Chinese language and the foundation programme, students can choose between the 11-week, 18-week and 36-week preparatory programmes, with the 11-week programme starting in May, the 18-week programme starting in April and the 36-week programme starting in September.
