8. Do you have specially recommended undergraduate programs for international students?

A: We offer FOUR TYPICAL BACHELOR PROGRAMS in our predominant disciplines, namely *Chinese languages (Business Chinese), International Economics and Trade, Big Data Management and Application, Mechanical Engineering (Intelligent Manufacturing)*. Detailed brochure can be found at <http://sie.xjtu.edu.cn/zsjz.htm>

9. Do you offer English taught non-medical undergraduate programs?

A: For now, ALL the non-medical undergraduate programs are taught in Chinese.

10. What are the eligibilities for applying for undergraduate programs?

A: Basically, it requires:

- 1) 18-25 years of age & with good health status (students who are between 16 to 18 years old before Sep 1, 2020, are required to submit *Letter of Guarantee* and *Authorization Letter* of which the format can be download

at <http://sie.xjtu.edu.cn/en/info/1155/1221.htm>) ;

- 2) Valid foreign ordinary passport;
- 3) High school or advanced diploma;
- 4) Chinese proficiency of above HSK 4 (Score 180) with a minimum of 60 in all sub-skills.

★ Students whose native language or language of learning in the elementary education is Chinese can be exempted from HSK4 Report upon approval by XJTU.

★ Students who do not meet language requirement may apply for Foundation Programs. If you pass the Foundation Program and HSK Level 4, you'll be able to proceed to the bachelor programs.

11.What courses are offered for international foundation program for undergraduate?

A: There are three learning streams for the foundation: Social Science Courses, Natural Science Courses, and Engineering Science Courses. Students may choose any one based on their own subject of learning for undergraduate programs. Each stream contains general Chinese, Chinese for academic purpose and Chinese culture with Mathematics, physics, chemistry, and basic academic knowledge to differentiate the three streams.

12.How long should I take for foundation program? And when for application?

A: The length of the foundation generally based on your Chinese language

proficiency. You may check the following chart as reference.

Types	Chinese language proficiency	Study duration		Total hours of learning	Application season
		From	To		
A	Beginner to HSK2 or the equal	September	July	1080	February to June
B	HSK3 to HSK4 or the equal	March	August	540	November to March
C	HSK4 to HSK6 or the equal	May	August	330	November to March
